

VENKATESWARAN A

PROFILE SUMMARY

Computer Science Engineering Student with a strong foundation in web development and hands-on experience in creating responsive interfaces using React.js, CSS, and Bootstrap. Familiar with back-end development concepts in Express.js and actively building full-stack capabilities through practical projects. Proficient in Python, C, C++, and Java, with strong problem-solving skills in Data Structures and Algorithms (DSA). Known for being a quick learner, effective communicator, and confident stage speaker, with the ability to collaborate in teams and adapt to dynamic environments.
